Are you a volunteer or charity looking for support?

Chelmsford Round Table are proud to have been able to support many charities this year using the money raised from our Admirals Park Fireworks event. These have been made alongside many other private individual donations and grants for a variety of causes.

Find out more via our website:

Can you lend a hand?

All our members are 100% volunteers and we are proud to be supported by many other local groups and charities that come together to make this event possible.

LADIES CIRCLE CHELMSFORD

Hello from Ladies Circle!

We are a group of women from all walks of life, aged between 18-45, who want to have fun whilst making a difference.

We are lucky enough to have two Circle's in Chelmsford. Chelmsford Ladies Circle and Tindal Ladies Circle. Each Circle meet twice a month to take part in a range of activities. These include axe throwing, gin tasting, mystery dinners, and aerial hoop, to name a few!

Fundraising and giving back to our community is also an important part of Ladies Circle. This year we are supporting the Little Edi Foundation. All the glow products sold at the event today will be contributing to this amazing charity. So thank you for your support!

Did you know...

Chelmsford Fireworks is run entirely by volunteers we are proud to be supported by many other local groups and charities that come together to make this event possible.

This means every penny of profit you help us make from this event goes back into your community!

Guys 18 to 45? Interested in joining in ?
We would love to hear from you.

Some of the good causes we support

Supporting with Operational Costs

Essex and Herts Air Ambulance have a monthly operational cost of £750,000 to keep their two helicopters flying to over 2500 missions in the past year.

Supporting with transport costs and resources

Home-Start Essex support families in the local area who have children under five years old and help them to build confidence, provide parenting guidance and encouraging them to be a part of the local community.

Supporting their Talk Together, Neuro-diversity Programme

Kids Inspire provide mental health and trauma recovery support for children, young people and their families. Therapeutic and community activities promote resilience, self-awareness, and relationship building to empower more positive life choices.

Supporting with their “Sponsor a Reader” fundraiser

Read Easy is able to provide the support which enables them to change the life of an adult in the local community by teaching them to read, improving their life chances, and increase their confidence and self-esteem.

Supporting with ...

The Men's Shed at Broomfield creates a community to meet, make friends and enjoy activities. Their projects are to reach out to combat social isolation, especially post-pandemic, and physical needs within the local community.
